PRINTMACHINE
AUTOMATE YOUR OUTPUT AND MAIL MANAGEMENT PROCESSES

Smart software that simplifies the preparation, processing, output and delivery of business critical communications - the way your customers want them.
PRINTMACHINE
COMMUNICATIONS THAT CONFORM TO YOUR CUSTOMERS’ BUSINESS PROCESSES

It’s all about making things simple. PrintMachine simplifies and optimizes the document creation process to dramatically reduce labor costs and deliver documents to customers with greater speed and accuracy.

PrintMachine is a one-stop solution which turns corporate data into finished customer statements, invoices, orders, receipts and other important documents.

PrintMachine automates the entire document output management process from creation to printing, distributing, mailing and archiving.

By streamlining your important communications to your customers, conducting business transactions becomes easier and faster.

- shorten billing cycles
- reduce your day sales outstanding
- increase business velocity
- reduce production costs
- create greater profitability for your company

CREATE MORE PROFESSIONAL AND MORE INFORMATIVE CUSTOMER Communications

REDUCE THE NUMBER OF MAIL PIECES YOU SEND BY GROUPING AND CONSOLIDATING CUSTOMER DOCUMENTS

VIRTUALY ELIMINATE WASTE AND HIGH COSTS OF PRE-PRINTED FORMS AND ENVELOPES

HELP MAIL TRAVEL FASTER THROUGH THE POSTAL SYSTEM

AUTOMATE OPTIMIZE YOUR DOCUMENT PROCESSES

With PrintMachine, you can control the formatting, production and distribution process for all your documents. This system allows you to significantly reduce costs through unified and automated document processing for all applications. With the ease of use of PrintMachine, operators and administrators can standardize document configuration and maintenance.

CREATE DESIGN YOUR DOCUMENTS SIMPLY AND FLEXIBLY

PrintMachine allows you to design your document templates simply and flexibly. Using any Windows® application, you can quickly create templates to meet any customer need. Integrate graphics, logos, charts and barcodes easily and view your templates with point-and-click functionality.

PRINT MAKE THE MOST OF YOUR PRINTER FEATURES

Take full advantage of all the features and technology in your printers with PrintMachine. With complete printer-driver support, you can use flexible controls for resolution, finishing, duplexing, paper trays, network and parallel printing, as well as print-job recovery and print-on-demand.

DISTRIBUTE SELECT THE IDEAL COMMUNICATION PATHWAY

PrintMachine automates the distribution and delivery of customer communications. The system allows you to distribute your documents any way your customers prefer - via mail, fax, e-mail or Web. With PrintMachine, implementing even the most complex customer communication plans is simple.

MAIL BENEFIT FROM AUTOMATIC MAIL PROCESSING

Manage your mailings with intelligent Optical Mark Recognition (OMR). PrintMachine allows you to print OMR marks anywhere on your documents to automate the preparation of your customer mailings and ensure the exact documents reach the intended recipients.

ARCHIVE SIMPLIFY YOUR ELECTRONIC ARCHIVING

PrintMachine simultaneously prepares digital copies of all processed documents for easy electronic archiving. Archived documents are saved "as printed" and are indexed for fast and easy retrieval. With PrintMachine, audits are no longer troublesome and retrieving customer documents is easy.
